RE: Freedom of Information Request – UPDATE

Dear Mr. Singyangwe,

The Enfield Police Department has completed another portion of your request in regards to **Use of Force** made pursuant to the Freedom of Information Act.

Available now for release are the documents indicating if civilian complaint incidents between 2013-2018 were sustained, the Enfield Police Department policy manual, and the current Enfield Police Department contract. **The cost for release of this information is \$25.00.** If you would like this released now please submit a check payable to the Town of Enfield to:

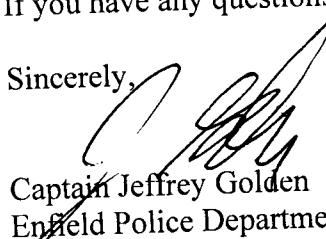

Captain Jeffrey Golden  
Enfield Police Department  
293 Elm Street  
Enfield, CT 06082

Note, again, that we have no incidents regarding police shootings (fatal, non-fatal, or police shootings at a civilian that missed) between 2013-2018. We also have no incidents regarding civilian deaths or serious injuries resulting from police use of force during that same time period.

At this time we are still working on gathering the information on the other points of your request. Once completed we will advise you of the cost.

If you have any questions, please feel free to call me or my staff.

Sincerely,

  
Captain Jeffrey Golden  
Enfield Police Department
